

## **Turtle Island - Borneo 3nts/ 4 days**

**DAY 1 SANDAKAN/ TURTLE ISLAND (L/D)** You will be met and assisted upon arrival at Sandakan Airport and transferred to the Sandakan jetty to catch a 0930hrs boat departing for Turtle Island. It takes about an hour to reach Selingan Island which lies 40km north of Sandakan in the Sulu Sea off Sabah's east coast. Selingan Island is the main nesting area for the Green Turtle. A rest of the day is yours to relax, swim or snorkel at the island.

After dinner, wait for the Park Ranger to update you on the sighting of any turtles laying their eggs. You will learn about the conservation programme on the island protecting the fragile environment required for the nesting site to remain sustainable; witness the collecting of eggs from the nesting site, planting them in the hatchery and see baby turtles scrambling to the open sea upon release on the shore. Overnight stay at the island.

**DAY 2 TURTLE ISLAND/ GOMANTONG/ DANUM (B/L/D)**

After breakfast, return to Sandakan and proceed 27 km overland to the Gomantong Cave. The cave is surrounded by primary rainforest, which makes it an ideal place to spot Orang utans in the wild. You may also be lucky enough to witness the exodus of over two million bats that live in the cave.

Transfer overland to Lahad Datu . After lunch we travel along the logging road ( gravel road) for approx. 2 ½ hours to the Borneo Rainforest Lodge. Check in and enjoy free leisure time. This evening enjoy a scrumptious dinner before a briefing and slide presentation on the Rainforest. Afterwards we take you on a night drive in an open-air jeep on the quest to search for nocturnal animals (*If weather permits*).Overnight In Danum Valley

**DAY 3 DANUM VALLEY (B/L/D)**

Breakfast at the Lodge. Guided jungle activities -Trek to the Kadazan/dusun burial trail – “Coffin Cliff” and proceed up to the “View Point” You will descend through the “Jacuzzi Pools” where you can enjoy a refreshing dip in the pools. At noon lunch at the lodge. Before the afternoon jungle activity: ‘Riverside trekking’. After Dinner this evening you can take part in another night walk on the quest to search for nocturnal animals. Overnight in Danum Valley
