

SABAH ECO TRAIL

Day 1: Kota Kinabalu – Kinabalu Park (L/D)

This journey into the heart of Sabah begins with a drive through the mountains to Kinabalu Park, where a treat awaits nature enthusiasts with a guided jungle trek, visit to the mountain garden and slide show at the Park. Spend the night at the Park.

Day 2: Kinabalu Park – Poring Hot Springs – Sukau (B/L/D)

Depart for Sandakan, one of Sabah's oldest settlements, on the East Coast of Borneo. En route, enjoy a stopover at Poring Hot Springs for a dip in its hot sulphur baths and the thrill of a lifetime, the 41m high canopy walk through the Rainforest. Arrive at Sukau in the evening for dinner and an overnight stay at a riverine lodge.

Day 3: Sukau (B/L/D)

Rise early for a cruise to the Ox-bow Lake and venture upon a short jungle trek to appreciate Borneo's fascinating wildlife. Take an evening cruise along the Kinabatangan river to view the playful Proboscis monkeys and other wildlife. Spent one more night with Mother Nature at the riverine lodge.

Day 4: Sukau – Gomantong – Sandakan (B/L/D)

Return to Sandakan town, en route at Gomantong Caves see the amazing swiftlets and bats. Gomantong is renowned for its birds' nests harvest. Enjoy lunch before a tour of the historic town and an overnight stay at Sandakan.

Day 5: Sandakan – Turtle Island (B/L/D)

A very memorable stay on Selingan Island or as it is more popularly known, Turtle Island. Offers the few guests who stay overnight the unique opportunity to watch huge turtles come ashore to lay their eggs and help rangers release day-old hatchlings into the sea. Overnight at island.

Day 6: Turtle Island – Sandakan – Airport (B/L)

Return to Sandakan once more and proceed to the Sepilok Orang Utan Rehabilitation Centre for the morning feeding and a trek into pristine, protected jungles. Lunch prior to return flight to Kota Kinabalu or beyond. This arrangement operates daily with a morning departure.
