## **GREAT OCEAN ROAD + KANGAROO ISLAND**

### **DAY 01: Adelaide to Kangaroo Island**

From Adelaide Airport take the flight to Kingscote on Kangaroo Island and on arrival collect the vehicle. Kangaroo Island is the largest island off the South Australian coast and shows nature at its wildest and most majestic in a magical combination of sun and sea, native flora and fauna. The coastline of the island changes from the attractive curved beach at Emu Bay to the rugged cliffs and roaring surf of the south. On the west are two of the island's natural wonders; Admirals Arch, a huge arch where stalactites are silhouetted against the afternoon sun, a magnificent sight. The other is Remarkable Rocks, huge unusually shaped granite boulders.

### **DAY 02: Kangaroo Island**

There is a never ending list of things to do and see on Kangaroo Island and today you have time to explore the natural beauty of this island and discover Australian wildlife – in the wild! Highlights include Flinders Chase National Park, Kelly Hill Caves, the “Koala Walk” and the seals at Seal Bay.

### **DAY 03: Kangaroo Island to Adelaide**

More time to explore the Island before dropping the vehicle off at Kingscote Airport for the return flight to Adelaide.

### **DAY 04: Adelaide to Mount Gambier (468 km)**

Collect your vehicle this morning before taking the Freeway directly to Murray Bridge and then onto Tailem Bend. Travel along the Coorong National Park skirting Lake Albert and Lake Alexandria. Travel on through Kingston and Robe and on to Mount Gambier, where you can visit the surrounding crater lakes and the Sunken Garden.

### **DAY 05: Mount Gambier to Halls Gap (229 km)**

Leaving Mount Gambier and South Australia travel into Victoria and pass through the towns of Casterton, Coleraine, and Hamilton before reaching Dunkeld. From Dunkeld a scenic drive will take you through the Grampians National Park and onto Halls Gap. Highlights within the Grampians include McKenzie Falls, Reids Lookout and the Balconies, and there are walks of varying length and difficulties to reach some of these points.

### **DAY 06: Halls Gap**

Explore the spectacular scenery that is the Grampians National Park. Take one of the many walks and remember your camera.

### **DAY 07: Halls Gap to Warrnambool (169 km)**

Travel via Dunkeld and Penhurst to reach Warrnambool, which marks the start of your trek along the Great Ocean Road. If you wish to detour west, Port Fairy is located 28 kilometres from Warrnambool and is a quaint fishing village.

**DAY 08: Warrnambool to Apollo Bay (165 km)**

Depart Warrnambool and before arriving in Port Campbell you will see London Bridge – the broken arch. Travel to Port Campbell along what is commonly regarded as the 'Shipwreck Coast'. See the amazing rock formations of the Twelve Apostles, which are huge stone pillars sticking out of the surf, carved over time by the crashing Southern Ocean waves. Continue through the Otway National Park to Apollo Bay.

**DAY 09: Apollo Bay to Melbourne (183 km)**

The scenic coastline from Apollo Bay to Lorne has been described as one of the most beautiful and breathtaking drives in the world. Near Lorne, visit the beautiful Erskine Falls, before following the coast road through Anglesea and Torquay, recognised as the surfing capital of Australia.
