

TAMAN NEGARA 2NTS / 3 DAYS

Day 1: Kuala Lumpur – Kuala Tembiling – Taman Negara

This three-day adventure begins in the morning from Kuala Lumpur where you travel by road for about 3 hours to the rural town of Jerantut via the scenic Genting Sempah Mountain Pass. At Jerantut, stop for lunch and take a short rest before proceeding to the River Bank at Kuala Tembiling. From here, travel by outboard motor canoes to Kuala Tahan where the park HQ is situated. The 3-hour upriver journey is fascinating as the vegetation along the river banks gradually become dense as we approach the virgin rainforest, believe to be the oldest in the world, at approx. 130 million years old. Arrive at Kuala Tahan in the late afternoon. The evening is at leisure. You are recommended to watch a video presentation and participate in the jungle night walk organised by the resort. Accommodation : and Meals included : Lunch (enroute) & Dinner

Day 2: Taman Negara

The day-to-day itinerary varies depending on participating levels within the Park, the weather condition and the facilities available at the time. However the activities likely to be available, and guided by Park Wardens include: Motorised canoe up the Tahan River tributary to the cataracts of Lata Berkoh, which is excellent for fishing, the Canopy walk which stretches a distance of 500 metres – longest in the world, plus jungle trek to Teresik Hill from where you can view Mount Tahan, the highest mountain in Peninsular Malaysia at 2178m. During the trek, your guide will give basic instructions on the fundamentals of jungle survival, jungle ecology, flora identification etc. Return trek on a different trail passing Lubok Simpon water hole for a swim and rest. At night, there is an option for animal “vigil” at a tree house. However, the sighting of rare animals like Tapir, Tiger and Mouse Deer is not guaranteed. Accommodation :and Meals included : Breakfast, Lunch & Dinner
