Elephant Valley Lodge

Forest Tent on a Full Board + 2 Safari Activities & Return Kasane Airport Trf basis for 2 nights(s)

Elephant Valley Lodge lies between the Chobe National Park in Botswana and the equally impressive Matetsi wildlife conservancy, south of the Kazangula border crossing and within the Kasane Forest Reserve. The lodge overlooks an extremely productive water hole. Activities include daily safaris and boat cruises into the Chobe National Park. The unique lodge location provides guests with game viewing opportunities throughout the day and night. Open guest areas, a secluded hide, refreshing swimming pool and 20 ‘meru styled’ tents complete the lodge which lies beneath a forest of sturdy knob thorns. It is within these tree tops that the largest colony of white back vultures occurs. The lodge is unique for several reasons and amongst these is the fact that it is situated within a game rich reserve affording the guests wonderful sightings between the open land rover safaris into the Chobe and boat cruises along the Chobe River.

“Meru Style” individual tents are situated around well-manicured lawns or along the edge of the valley. Each tent features Twin beds, en-suite shower and toilet, tea & coffee making facilities, mini safes, fan and a covered deck.

The Okavango delta is characterised by multitude of waterways isolating many islands of differing sizes, the water originates high in northern Botswana before fanning out to form this wildlife sanctuary. On the edge of the Salinda spillway, as the river meanders along its course, a picturesque site was located for Kana Kara. Kana Kara is not a game lodge, but rather a semi-permanent tented safari camp comprising 6 meru type tents, each with en-suite facilities and an outdoor shower. The facilities are modest yet comfortable, and are positioned to command uninterrupted views of the northern delta. The camp is ideally reached by plane from either Maun or Kasane, and this makes the position perfect for guests travelling either to or from the Chobe / Victoria Falls, or from the Kalahari. Freshly prepared meals enjoyed at scenic dining spaces will punctuate your safari experience which will include mekoro and walking safaris, as well as open vehicle game drives.
